HRB 10408 FF

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Plywood for use as structural components in humid conditions, technical class EN 636-2 S, from softwood, thickness from 9 mm to 45 mm

produced by the manufacturer

PAGED-SKLEJKA S.A.
ul. Mazurska 1; PL – 14-300 Morag

and produced in the manufacturing plant

PAGED-SKLEJKA S.A.
ul. Mazurska 1; PL – 14-300 Morag

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 13 986:2004+A1:2015

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 30th of November 2016 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product and the manufacturing conditions in the plant are not modified significantly and only with consideration in the annex 1 and 2 to this certificate and in the monitoring reports by the certification body given editions and references.

Eberswalde, 30th of November 2016
